Dear Pine Crest Family,

Pine Crest School continues to grow as a powerful example of leadership in education. Our new Upper School facility is a metaphor for the spirit of “Panther Pride” that comes alive in our School community every day.

We began last year with energy and fervor as we watched our Fort Lauderdale campus rise from a foundational promise into a state-of-the-art complex. The construction, along with our strong enrollment, underscores Pine Crest’s vitality. As we continue to provide our students with a comprehensive educational experience this fall, it is important to reflect on last year’s achievements that stand as strong examples of Pine Crest’s ongoing mission.

With 21 National Merit Semi Finalists, 14 National Merit Commended Scholars, eight National Hispanic Scholars, and three National Achievement Scholars, we are proud to announce that our students ranked among the highest performers on college admission examinations. The Class of 2011 also boasts three candidates for the United States Presidential Scholars Program.

Performing Arts students gave us energetic and dramatic presentations in world-class performances such as the ballet, Coppelia, and the musical, Anything Goes, in Fort Lauderdale. Our Fort Lauderdale Middle School students gave us a beautiful performance of The Sound of Music. Boca Raton Middle School brought us an enthralling Treasure Island ballet, and the musical, Beauty and the Beast.

Our Athletic Program enjoyed much success as well. Our girls’ (Varsity) lacrosse team advanced to the State Final Four for the first time in our program’s history; our boys’ and girls’ crew teams qualified for statewide and national competitions; and several of our student athletes received Athlete-of-the-Year titles for their respective sports. Our boys’ Varsity basketball team claimed the runner-up title for the State Final Four. The team further demonstrated its winning spirit when they traveled to Jamaica this January to play in a Caribbean tournament and donate more than 500 pairs of shoes to children in need.

In addition to achieving everyday educational distinction, our faculty thoughtfully nurtured and encouraged our students to accomplish and surpass their academic goals last year. Several of our coaches received national recognition for excellence, and our award-winning Science Department led a team of student researchers who recently were named semifinalists in the 2011 Intel Science Talent Search.

Pine Crest School has always benefited from the unparalleled commitment and support of our family of donors. Last year we raised more than $1.325 million in unrestricted Annual Fund dollars – thanks to you and the dedicated efforts of our volunteer Annual Fund committee members.

Annual Fund dollars – especially unrestricted – are vital to our School because they give us the ability to set a standard of excellence that affords our students access to resources that go far beyond what tuition dollars cover. Monies raised for the Annual Fund go directly into the operating budget to help with innovative educational, arts, and athletic programs; technology; facilities; and a host of other activities. This Annual Report of Donors 2010-11 provides the details of the generous donations to Pine Crest School for which we are extremely grateful.

As a past teacher, administrator, and now Acting President of Pine Crest School, I thank you for contributing to the livelihood and rigor of Pine Crest School. I remain dedicated to providing incomparable programs and services that nurture the whole child. Most importantly, thank you for your continued support for the 2011-12 school year.

With warmest regards,

Dana Markham, Ed.D.

Annual Report of Donors 2010-11

Pine Crest School
Dear Pine Crest Community,

Three years ago I had the great privilege of joining the Pine Crest community as a teacher in the Social Sciences Department. I remember the vigorous interview process, the excitement of meeting new colleagues, and the joy of getting to know so many delightful young people and their families. Now, in 2011, I write to you as the new Director of Development – an opportunity I am humbled by and grateful to hold.

Pine Crest is a special place. Our students are the best in the state of Florida and are heralded in universities and organizations across the nation and around the world for their commitment to excellence and their preparation for the times ahead. Our faculty and staff are world-class, with a dedication to teaching the whole person with the best academics, stellar arts programs, championship athletic teams, and values and experiences that last a lifetime. Our alumni have set an ambitious path for our future graduates, a path that advances with each class that collects their diplomas. Finally, our generous community has allowed Pine Crest to grow into the healthy position it holds today, ready to meet any challenge that may be encountered in the future.

With new buildings in Boca Raton (Lower School) and Fort Lauderdale (Upper School), Pine Crest continues to be the trend-setter in American education. These new, state-of-the-art facilities add to the already stellar foundation of a challenging, innovative curriculum led by a talented, dedicated, and superb faculty. These are certainly exciting times to be a part of Pine Crest!

But as we continue to grow and renew our commitment to providing the best education and student experience, one characteristic has always remained true: none of this would be possible without the generous gifts from so many families and benefactors. It is because of you that we are able to look to a bright and prosperous future for our community and provide our students with an experience that is second to none. For that – we give our immense and most sincere thanks.

Best wishes to you and your families – and here’s to another phenomenal year at Pine Crest!

Philip R. Consuegra
Director of Development

Pine Crest School
The Boca Raton Parents’ Association Spring Event took place on Saturday, February 12, 2011 at the Boca Raton Resort and Club. Chairied by Christina Haligman, Loren Lins, and Stacey Packer, “Prom Night Rewind” was a huge success. Sheri Sack, once again, proved her skill as an auctioneer by hosting the live auction, and the entire event raised $480,000 for Pine Crest School. Proceeds from the auction will benefit needed-financial aid, the DeHaven W. Fleming Endowed Fund for Excellence in Teaching, the endowment fund for the “FROG” (For Recognition of Greatness) Faculty and Staff Award and facility improvements for Pine Crest School at Boca Raton.
