Back to school time... whether as a student, a parent, or a grandparent, it brings similar feelings of anticipation, renewal, and hope. This year is no different as we embark on Pine Crest’s 2010–11 school year. In addition to our commitment to lifelong learning for our students, we also are in the midst of a powerful building project which will continue to give our students not just the best in education but the best facilities and opportunities to become citizens of the world. As we look forward to this year, it is important to look back on last year’s exhilarating accomplishments.

Exciting! That single word describes the 2009–10 Pine Crest school year. We kicked it off with the opening of the new LEED-Certified Lower School building on the Boca Raton campus and the momentum continued. The energy from that debut spread across the entire School community, creating fervor for the new Upper School Academic Center in Fort Lauderdale, which unofficially broke ground this summer. We also rolled out our new logos under an innovative branding initiative. What a start!

The year proved to be challenging financially for most independent schools, Pine Crest included, but with your help we raised more than $1.4 million unrestricted Annual Fund dollars, exceeding our goal of $1.3 million. This was almost a 7 percent increase over last year’s nearly $1.3 million. We are extremely grateful for your generous gifts, especially the unrestricted support. We also thank our Annual Fund committee members for their dedication in helping us to go beyond our goal. This Annual Report of Donors 2009–10 provides the details of your generosity.

Although we exceeded our expectations, we know that in real numbers the increase does not offset all our needs; however, it does give us the ability to set a standard of excellence that affords students access to resources that go far beyond what tuition dollars can cover. Annual Fund dollars go directly into the operating budget to help with innovative educational, arts, and athletic programs, state-of-the-art technology and facilities, and a host of other activities. Highlights from the 2009–10 school year are great examples.

Our Athletic Program enjoyed much success. On the Fort Lauderdale campus, many of our sports programs won regional titles, and many qualified for state finals. Boys’ varsity basketball and girls’ tennis grabbed state runner-up trophies. University of Kentucky recruit Brandon Knight ’10 won the 2010 Gatorade Male High School Athlete of the Year, among other accolades; while Blaine Willenborg ’12 nabbed the Overall State Champion title – No. 1 Singles in tennis. Our boys’ and girls’ crew teams qualified for Nationals.

Our Performing Arts students gave us energetic and dramatic presentations in world-class performances such as the ballet, Sleeping Beauty, and the musical, Babes in Arms in Fort Lauderdale. Our Fort Lauderdale Middle School students gave us Annie and performed with our Lower School students at Carnegie Hall in the summer. Our Boca Raton students brought us Grease and the ballet The Lion King. Chorus, bands, and orchestras on both campuses gained high marks during competitions. In academics, Harvard-bound Naimonu James ’10 was our first Gates Millennium Scholar; again, we ranked high among other Florida schools for our impressive number of National Merit Scholars and Semiinalists.

Pine Crest is also very proud of the service and philanthropy from all our constituencies this year. Responding to January’s devastating earthquake in Haiti, both campuses joined forces and raised in excess of $46,000 for the victims.

As past parents and now grandparents of Pine Crest students, we remain dedicated to providing unparalleled programs that nurture the whole child. We look forward to your support for the 2010–11 school year.

Warm wishes,

Lourdes Cowgill, Ph.D.

The Boca Raton Parents’ Association Spring Event took place on Saturday, March 20, at the Boca Raton Resort and Club. Kathy Adkins, Karen Foreman and Cory MacNeille chaired this very successful event, “Hooray for Hollywood”. The glitz and glamor of the evening raised $375,000 for Pine Crest School and, once again, the memorable live auction was hosted by Board Trustee, Sheri Sack. Proceeds from the auction will benefit need-based financial aid, the DeHaven W. Fleming Endowed Fund for Excellence in Teaching, the endowment fund for the “FROG” (For Recognition of Greatness) Faculty and Staff Award, the Breakthrough Program, and facility improvements for Pine Crest School at Boca Raton.

For the first time, the four Fort Lauderdale Campus parent associations came together to host the fabulous Studio 75 Online Auction and Volunteer Leaders’ Benefit Party. The Online Auction, held January 19-22, 2010, was most successful with its offering of wonderful one-of-a-kind school-spirited items, teacher appreciation gifts, and more. Culminating Studio 75’s fundraising endeavor, on Saturday, January 23, 2010, guests enjoyed Stacy Gymnasium’s groovy ’70s nightclub experience with emcee/comedian Drew Sattee ’78. Approximately $100,000 was raised which will provide unrestricted support of the capital campaign and be recognized as a significant naming opportunity in the new Fort Lauderdale Upper School Academic Center. Dyn-o-mite!
