Commitment

Pine Crest has an “Open Admission Policy” of non-discrimination on the basis of race, creed, ethnic origin, gender, disability and similar factors. Committed to the development of cultural, racial, religious, economic and geographic diversity in our school community, we do not discriminate in the administration of educational policies, financial aid, athletics or other programs.

A Pine Crest education will always be a significant financial commitment for a family. We do our best to keep tuition low through careful management of school resources and through our best effort to gain alternate sources of income from an expanded endowment, summer programs and charitable giving. In return, we seek families who will place the educational experience as a first priority in budgeting their financial resources and in their commitment of time.

Financial Aid

Parents should apply for financial aid by the November 30 deadline if you are re-enrolling your student and by the January 15 deadline if you are a new student. For more information regarding Pine Crest School financial aid, visit www.pinecrest.edu/financial-aid or call 954.776.2179.

Financial Regulations

Tuition is the major source of income for Pine Crest School, a non-profit corporation. Tuition allows our school to strengthen programs and faculty compensation and to operate with fiscal responsibility.

General questions regarding school tuition and payment plans may be directed to the Business Office at 954.492.4161.

Upper School Graduation Requirements

To receive a Pine Crest School diploma, a student must complete at least the last full year as a senior at Pine Crest School. The Pine Crest School handbook is available online.

Families should note that the non-refundable deposit holds a place until May 31, 2016. Unless the school receives written notice of withdrawal of the contract by this date, the family will be held responsible for full payment of the coming year’s tuition.

There will be no waiver of this financial responsibility to Pine Crest School.

Students are entered into Pine Crest School under an enrollment or re-enrollment contract for the entire school year, or from the time of enrollment until the end of the school year. No reduction can be made for health, change of residence, absence, voluntary or involuntary withdrawal, or expulsion. Parents are obligated for the full year.

Tuition refund insurance is included in tuition cost. This program insures a portion of the total tuition in the event of student withdrawal for medical causes, dismissal by the school, or some other reason.
